

**INAUGURAL IVSC WAVO GLOBAL VALUATION CONFERENCE
SINGAPORE
25 - 26 June 2018**

EXTENDED CALL FOR PAPERS

Theme: “Valuation in the Globalised World”

Introduction

The International Valuation Standards Council (IVSC) and the World Association of Valuation Organisations (WAVO) will be jointly hosting the Inaugural IVSC-WAVO Global Valuation Conference in June 25-26, 2018 in Singapore. This Conference is part of the collaboration between both organisations to develop the valuation profession, and enhance its professionalism through joint activities and exchanges.

The programme will include plenary and breakout sessions to discuss various issues relating to real estate valuation, intellectual property valuation, plant and equipment valuation as well as valuation of financial instruments. Other key topics that will be discussed include professional education, training and development, professional conduct and ethics, valuation standards, and technology.

Practitioners, academics and researchers are invited to submit papers on any topics related to valuation. Those who wish to offer short training courses, establish networking discussions, or publicise their companies’ activities etc are welcome.

Important dates:

- Submission of abstract (not more than 300 words): **before 28 Mar 2018**
- Acceptance of abstract: **before 5 April 2018**
- Those who wish to participate in the Best Paper Award to submit full paper: **before 10 June 2018**
- For others, submission of papers or PowerPoint slides: **before 20 Jun 2018.**

Please send your name, abstracts of your paper and/or proposal to offer training courses/networking efforts, etc to our contact below.
