About the organizers:

The **International Valuation Standards** (IVS) Council is the independent global standard setter for valuation practice and the valuation profession. <https://www.ivsc.org/>

World Association of Valuation Organisations (WAVO) brings together professional property valuation organisations that represent valuers and related property consultants employed in private practice, business and industry, the public sector and education, as well as some specialized groups that interface frequently with the profession. <http://www.wavoglobal.org/>

HypZert is an entity established by the top associations in the German financial industry. Since 1996, HypZert has been certifying real estate valuers pursuant to the sophisticated and internationally acknowledged criteria of ISO/IEC 17024. With these standards, HypZert ensures a maximum of comparability and transparency on the real estate markets. <http://www.hypzert.de>
