

Application for WAVO member Organisations for the right to confer the title WAVO WRV on valuers

General Information

The World Association of Valuation Organisations (WAVO) is a globally recognised association of nationally and internationally active Valuation Professional Organisations. The aim of the Association is the further development and improvement of valuation at the international level, fostering and ensuring the continued consistent high quality and uniformity of professional valuation services. WAVO therefore promotes the regular exchange of established international and national valuation standards, practices and procedures in compliance with the professional rules and high-quality standards among national organisations.

WAVO World Recognised Valuer (WAVO WRV)

In order to be able to find the right experts in a particular region who meet its high quality standards, WAVO has developed the quality mark “**WAVO World Recognised Valuer**” (**WAVO WRV**).

This title is conferred by WAVO’s member Organisations on valuers who meet the applicable criteria. Full information on this can be found at www.wavoglobal.org.

Procedure for the Award of the Title

Interested valuers can apply to their respective Organisations for the award of the title **WAVO WRV**.

After receipt of the application, the Organisation (an authorised WAVO member) will check whether the applicant meets the requirements by way of an official procedure. If the decision to award the title is positive, the WAVO member can confer the title **WAVO WRV**.
